

## How do we compare medical treatments?

*...for whom, and under what circumstances?*

*...which are most cost-effective?*

If you are interested in the answers to these questions, apply to become a **Tufts CTSI Comparative Effectiveness Research (CER) Postdoctoral Fellow**.

Tufts CTSI is recruiting scholars and clinicians for fellowships in our exciting **CER Training Program**, where selected candidates will:

- Enroll in our acclaimed CTS Graduate Program
- Focus on **Evidence-based Clinical Effectiveness Research or Health Services and Outcomes Research**
- Study existing therapies, real-world effectiveness, treatment effect heterogeneity, and stakeholder engagement
- Have access to a wide array of CER mentors.

**Apply today for the CER Postdoctoral Fellowship (TL1) Program.**
