

# 5<sup>th</sup> Annual Asian Health Symposium

## Moving Forward, Looking Back: Using Research to Improve Community Health

**Tuesday, April 23, 9:30AM-1:30PM**

Tufts School of Dental Medicine, Rachel's Auditorium, 14th Floor  
1 Kneeland Street, Boston MA

Interested in hearing the results of research conducted in Boston's Chinatown/Asian communities? Wondering what's next?

### **Join us, and learn about:**

- Exciting research projects completed in Boston's Chinatown/Asian Communities in the past five years
- Key findings/takeaways from these research projects
- The value of increased community engagement and collaboration with research in your community

This event is sponsored by Tufts CTSI and hosted by Addressing Disparities in Asian Populations through Translational Research (ADAPT).

Space is limited. **Please sign up by April 15** by visiting this link or scanning the code:
