

COVID-19 COMMUNITY FORUM

Want to learn about how to ensure equity with COVID-19 vaccine here in MA?

Meet online with community stakeholders and researchers to hear about how they're working together to protect us from COVID-19. We will host monthly discussions this fall to address the health equity concerns raised by community constituents and hope you will join us for the conversation.

OCTOBER COMMUNITY FORUM:

Equitable Vaccine Distribution: Community Discussion of the Proposed National Academy of Medicine Framework
