Incorporating Qualitative Methods in Your Dissemination and Implementation (D&I) Project

Carmit McMullen, PhD, is a medical anthropologist who studies health informatics, cancer survivorship, and health care delivery. She provides expertise in qualitative and ethnographic research methods, such as focus groups, interviews, and fieldwork (participant observation), for studies in diverse subject areas.

**March 26, 2024
1:00PM-2:00PM EST**

Via Zoom

**Reach out to Anna L.
