

ADAPT Community Health Symposium

**Rooted in Resilience:
Looking Back to Look
Forward****Friday, October 3, 2025**

8:30AM-1:30PM EST

Emerson College Bill Bordy Theater

216 Tremont St, Boston, MA 02116

ADAPT's Annual Community Health Symposium convenes researchers, community-based leaders and organizations, students, and representatives across sectors to discuss local community-prioritized health issues and solutions.

Join us to explore:

- **Lessons learned from grassroots efforts to further the health of our local communities**
- **Strategies local scholars and organizations are implementing to advance their work across sectors**

View the [event page](#) for our agenda and speakers.

*This event is sponsored by **Tufts CTSI** and hosted by the **ADAPT Coalition**.*

Breakfast and lunch will be provided. Chinese (Mandarin and Cantonese) language interpretation will also be available for attendees.

For more information, please contact Chloe Yang, ADAPT Project Manager, at Chloe.Yang@tuftsmedicine.org.

***Space is limited at this
in-person only event!***
