

TUFTS CTSI DISSEMINATION & IMPLEMENTATION INTEREST GROUP (DIIG)

Navigating PCORI Funding for Dissemination and Implementation Research

The Patient-Centered Outcomes Research Institute (PCORI) offers several opportunities to support patient-centered dissemination and implementation research. Join Dr. Michael Pullmann to learn about:

- PCORI's implementation science funding portfolio
- Current and upcoming funding opportunities
- Practical guidance for developing a competitive proposal

Michael Pullmann, PhD

Senior Program Officer,
Implementation Science,
Patient-Centered Outcomes
Research Institute (PCORI)
